Dear Mr. Horta-Osório

Many thanks for your response, via Adrian White, on behalf of the Group. I am afraid that your response does not address the queries we have raised. First and foremost, we were writing to you, individually, as CEO of the LBG Plc, and not the Corporate body. All queries we have raised should not require the investigation of a third party as they relate directly to your actions as CEO.

In particular, there are a series of queries about the treatment of Sally Masterton. These are not matters that fall within the remit of the Dobbs Review, so require a response.

Yours sincerely,
